Friday 10<sup>th</sup> July

Dear Parents/Carers

**Consultation Early Years Provision**

Milton School is currently in the process of applying to the Regional Schools Commissioner to change the designation to include an Early Years Provision. As the school is part of the Interaction and Communication Academy Trust this requires a 4-week consultation period with all stakeholders, to give the local community the opportunity to raise any queries or concerns.

There is an ever-increasing demand for Early Years provision across the local community and Milton School is best placed to provide an enhanced education to a specific number of pupils, who may otherwise struggle to access education which meets their needs.

If you have any queries or concerns relating to this, please contact the school via [info@miltonschool.org.uk](mailto:info@miltonschool.org.uk) .

Kind regards

Amanda Costello

Principal
