BREAKFAST CLUB

Another successful week doing breakfast club. Here is one of our wonderful students enjoying his breakfast. We have had lots of lovely positive comments from our students and staff. Our favorite cereals this week was shreddies and porridge. Huge thanks to magic breakfast for providing the cereals. Thank you to Mrs Storey, Miss Allen & Mrs Roberts for running our Breakfast club, the kids love it!

CHILDREN IN NEED

The Y11 Café will be doing a special café just for Children in need. We will let you all know how much we raise for children in need.

Dates to remember

Careers Fair

COOKING CLUB

Well, it was our first cooking club this week. What a fabulous afternoon it was. we made yummy chocolate dipped biscuits. All the students loved making these. They are quick and easy to make also so delicious.

ANTI-BULLYING WEEK

This week it has been anti bullying week and classes have spent time looking at bullying and how to be kind.

YEAR 2

Pupils in Y2 are reading Handa's Surprise by Eileen Browne, they are enjoying doing a matching activity!

Pupils in Y2 are learning about 2d shape and their properties. They are having fun making shape pictures and building 3d models.

PIC-COLLAGE

PIC-COLLAGE

YEAR 5

As part of literacy this term, year 5 have been writing and following instructional texts. We have had so much fun baking and decorating buns and cooking our very own jacket potatoes.

Our baking has seen year 5 practicing our PFA skills, buying our ingredients from the local Co-Op as hone our math skills by weighing ingredients and carefully timing our buns as they bake.

This week we will hopefully be making our own McDonalds Happy Meals!

YEAR 8

Today year 8 have been learning about Diwali. We decided to do some artwork surrounding this. Here are our Rangoli Patterns Blue Heart Rainbow #year8 #Diwali #Rangoli #teammilton #teamdrake

The winner of our Kahoot coco movie quiz was Dylan! Year 8 love to team up and take the kahoot quizzes! What a day RainbowTwo hearts #year8 #kahoot #quiz #teamwork #teammilton #winner

Year 8 are achieving their Communication and Interaction targets this afternoon alongside their Math targets. It's lovely to see everyone getting along. #year8 #maths #communication #Laptop #calm #teammilton

Today we touched back on the Day of the Dead and year 8 watched the funny clips from Coco! #year8 #coco #funtimes #laughter

Today Y8 used Cool Maths to manipulate vertices (corners) and fill 2D shapes.

@MissEDrakeY8@BEBtutoring #maths

To end what's been a very good day, year 8 had reward time up on the field!
@MrJTurnbull

And the girls were all laughing together while the boys played football! #year8 #rewardtime #laughing #football #teammilton

Preparing for adulthood - today we took a walk to the train station, learnt how to buy a ticket, and then stopped off at the café for a lovely drink.

YEAR 11

This half-term, Y11s have been spending Thursday mornings at the catering department of Rotherham College. Each week, they will learn new cooking and baking skills and techniques in the teaching kitchen which is also used by the Rotherham College students during the week. So far, our pupils have learnt how to light the ovens and hobs and made mince pies and vegetable soup. They have listened carefully to instructions and worked safely, sensibly, and hygienically.

The college also has The Wharncliffe Restaurant that is open to the public, with the meals made and served by the catering students. Next week, Y11s will be eating a 3 Course meal at the restaurant as part of their Preparation For Adulthood unit of work.

Friday's in Y11 are split between working in the Milton Cafe and gardening. Mrs Storey and Mrs Roberts have done a fantastic job of training up the pupils, so they are ready to serve in the cafe to all the classes and staff in school throughout the day. It has been a real pleasure to see how the Y11 pupils have risen to the challenge of what can be a tight and demanding schedule. The skills of teamwork, communication, organisation, adaptability, working under pressure and so much more, have really shone through from all the pupils.

The gardening groups have been busy maintaining the school premises. Jobs achieved so far include:- clearing leaves off all playgrounds and paths, trimming back overgrown branches and bushes, erecting a bamboo fence and painting raised beds. The hard work and dedication of the pupils towards making our school environment safer and more aesthetically pleasing, has been commented on by lots of members of staff and visitors to our school.

Well done to everyone in y11. Keep up the hard work!
